EXPLANATORY NOTES

Local Government Legislation. The *Local Government Act, 1960–1973* provides for the constitution of municipal councils responsible for the administration of Cities, Towns and Shires in Western Australia. A general description of the Local Government system appears in Chapter III—*Constitution and Government* of the *Western Australian Year Book.*

Statistical Divisions. The Statistical Divisions referred to in this publication comprise groups of complete and contiguous local government areas and are shown on maps appearing in *Statistics of Western Australia—Rural Industries*, the *Abstract of Statistics of Local Government Areas* and the *Western Australian Year Book.*

In Tables 1–2 and 4–8, local government areas have been arranged in alphabetical order of Cities, Towns and Shires, where appropriate, within each Statistical Division. To facilitate reference to the tables, an index list of local government areas is provided on page 37.

Local Government Areas. In this publication, in the tables where information for separate local government areas is published, the names and designations used are those which were current at 30 June 1972. Changes which occurred during 1971-72 are as follows:

The Shire of West Pilbara was constituted, with effect from 27 May 1972, by uniting the Shires of Ashburton and Tableland and by severance of territory from the Shires of Carnarvon, Roebourne and Upper Gascoyne.

The Shire of East Pilbara was constituted, with effect from 27 May 1972, by uniting the Shires of Marble Bar and Nullagine and by severance of territory from the Shires of Port Hedland, Tableland and Wiluna.

Vehicle Licences and Fees. In Western Australia there is no single authority responsible for the licensing of vehicles. The Traffic Branch of the Police Department licenses vehicles in the Metropolitan Traffic Area as defined in Regulations made under the Traffic Act and other areas as prescribed. In other parts of the State each local government authority is responsible for the licensing of vehicles in its own district. At 30 June 1972 the Police Department was responsible for the licensing of vehicles in:

(*a*) the *Metropolitan Traffic Area*, comprising local government areas in the Perth Statistical Division (see page 4) with the exception of the Shires of Kalamunda, Mundaring (part), Swan (part) and Wanneroo;

(*b*) the *Kimberley Traffic Area* comprising the Shires of Broome and West Kimberley (effective from 1 January 1969), and the Shire of Wyndham-East Kimberley (effective from 1 July 1971); and

(*c*) the Shires of Esperance, Manjimup and Ravensthorpe (effective from 1 October 1970), the Sh ire of Merredin (effective from 1 January 1971), the Shire of Busselton (effective from 1 April 1971) and the Shires of Ashburton (now part of the Shire of West Pilbara), Lake Grace and Murray (effective from 1 July 1971).

Vermin Boards and Water Boards. Financial transactions in connection with vermin control are (with some exceptions) included in the Annual Statement of Receipts and Payments of the local government authorities concerned. However, it has been found administratively expedient for a small number of Vermin Boards and Water Boards to remain financially independent. Statistics relating to these Boards are presented separately in Table 9. The figures appearing in Tables 10–12 include the transactions of both Vermin Boards and Water Boards.

For detailed statistics of water supply, sewerage and drainage, the reader is referred to *Statistics of Western Australia—Rural Industries* and to the Annual Reports of the Metropolitan Water Supply, Sewerage, and Drainage Board and the Public Works Department.

Regional Traffic Councils. Section 329 of the Local Government Act provides that, for local government purposes, the whole or part of the combined area of two or more municipalities may be constituted a Regional District. In each such Regional District a Regional Council is established for the exercise of specific powers delegated to it by the Councils of the constituent municipalities. Table 14 shows the financial transactions during 1971–72 of Regional Councils established for the purpose of traffic control.

Rounding of Figures. Monetary amounts appearing in Tables 3 and 10–13 have been rounded to thousands of dollars without making those adjustments which would be needed to make the rounded figures add to the rounded total. It is for this reason that figures do not always add to the totals shown in the tables.

(*a*) Population statistics appearing in this table refer to total population, *i.e.* including Aborigines. The numbers of dwellings are also on the basis of total population. (*b*) The numbers shown comprise occupied and unoccupied private dwellings consisting of houses, flats and improvised homes. The term ' private dwelling ', as used in this publication, means any private habitation occupied (or intended for occupation) by a household group living together as a domestic unit, and may comprise the whole of a building or only part of it. Special (non-private) dwellings such as hotels, motels, etc., are excluded. (*c*) Includes Houtman Abrolhos (unincorporated). (*d*) Includes ' migratory ' population.
